SECOND QUARTER FY 12 RESULTS
(October – December 2011)**

LEESBURG, VA – February 7, 2012, Precision Auto Care, Inc. (OTC Pink: PACI) announced its financial results for the second quarter of fiscal year ending June 30, 2012. For the quarter-ending December 31, 2011, revenue was \$6.7 million and profit was \$266,000, or \$0.01 per share, compared with a profit of \$75,000, or \$0.00 per share, on revenue of \$4.7 million for the same period in the prior year.

The Company's President and CEO, Robert Falconi, stated, “While the bottom line for this past quarter is much improved over last year, the company will be taking steps to improve profitability at our company-owned centers. Revenues are up significantly because of the company owned stores, but it is critical that profitability increase proportional with the revenue growth or better. The company will make that our focus for the balance of FY2012.”

Lou Brown, Chairman of PACI, said, “The Board of Directors is pleased with the Company’s growth but wants the company to improve its operating results and is confident that management is taking the steps to make that happen. “
