Precision Tune Auto Care Expands Company Store Operations

LEESBURG, VA – January 30, 2009, Precision Tune Auto Care an affiliate of Precision Franchising LLC, is expanding its company owned store operations. In December 2008, the Company purchased Montgomery Village Auto Clinic in Gaithersburg, MD, making this company store number 8. Operating under the franchise brand Precision Tune Auto Care, this facility is a full service auto repair facility that includes state inspection services. This location is also an AAA certified repair facility.

Robert Falconi, the Company's President & CEO stated, "we are very excited about this latest acquisition. It is in an excellent location and the early indicators are this store will continue to grow its customer base and continue as a leader in auto repair and maintenance in the Gaithersburg area. Every time we open a company store, we are sending a message to our franchise system that we believe in this business. We are also sending the same message to potential franchisees".

In addition to the Gaithersburg, MD location, the Company also has company store operations in Manassas Park, VA, Culpeper, VA, Hayes, VA, Beltsville, MD, Dearborn Heights, MI, Royal Oak, MI, and Hanover, PA. The Company plans on furthering its company owned operations as it seeks out acquisition opportunities.

Precision Tune Auto Care has 30-plus years of franchise success with 277 U.S. operating centers, offering its franchisees a proven operating system, world class training, turn-key marketing/advertising, national vendor partnerships and a 24/7 intranet community.
