FOR IMMEDIATE RELEASE**THIRD QUARTER FY 15 RESULTS****(January – March 2015)**

LEESBURG, VA – May 7, 2015, Precision Auto Care, Inc. (OTC Pink: PACI) announced its financial results for the third quarter of fiscal year ending June 30, 2015. For the quarter-ending March 31, 2015, revenue was \$6.5 million and profit was \$160,000, or \$0.01 per share, compared with a profit of \$299,000, or \$0.01 per share, on revenue of \$6.4 million for the same period in the prior year.

The Company's President and CEO, Robert Falconi, stated, "While last year's profit is better than our profit this year, there were a couple of unusual transactions in each year. This year's profit includes a one-time expense for options granted to certain executives. Last year's numbers included a large development payment. When comparing day to day operations, this year's profit represents an improvement over last year."

Lou Brown, Chairman of PACI, said, "The Board of Directors continues to be pleased with the Company's operating results and the progress that is being made."

Precision Auto Care, Inc.'s affiliate, Precision Franchising LLC, is one of the world's leading franchisors of auto care centers, with 315 operating centers as of May 5, 2015. The Company franchises Precision Tune Auto Care centers around the world.
